With a long tradition of national championships in football, basketball, gymnastics, tennis, swimming and even bowling, it's no surprise that scouts recruit heavily on the campuses of the 12 schools in the Southeastern Conference. So when Playboy talent scouts arrived in the land of SEC, we discovered an abundance of hot student bodies willing to show us a whole lot more than their school spirit. Check out these wild Southern belles plus eight more captivating coeds who will definitely teach you a thing or two.

COED CONFESSIONS

HEATHER NICHOLE

The scene: I go to a community college and the campus is really small so usually on the weekends I go visit my friends at their schools. We do the same things most coeds do—lots of drinking and late, late nights! **Study aid:** When I'm forced to pull an all-nighter I need junk food—with lots of sugar or caffeine so I can stay awake! **Beverage of choice:** Diet Coke. **Favorite foods:** I love bread, Italian food and anything covered with cheese! **Stress reliever:** After I've done well on a quiz or test I like to treat myself to a shopping trip, get a massage or go out with my friends for a crazy night of partying.

AMBER ELISE

Eye opener: The one thing that has surprised me most about college is how much discipline it requires to get my all of projects done and to show up for class every day—even when I don't want to go. **Special talent:** In high school I went to the nationals in gymnastics and am very flexible. **Blowing off steam:** I put on my iPod and go for a jog or take a nap so when I wake up I've got a fresh perspective and nothing hanging over my head. **iPod playlist:** Beyoncé, Jay-Z, Dave Matthews, Jack Johnson and Rascal Flatts.

TYFFANI TYLER

Focus, focus, focus: As a freshman I've realized that college is totally different than high school! All of the students are here because they want to be and everyone is very focused and really eager to learn. **Rude awakening:** One time I fell asleep while taking a test and I woke up as everyone was leaving the classroom. I hadn't even finished taking half of the test. **Brain food:** When I'm studying, I like to munch on chips and dip. **Bad habit I'd like to break:** I like spending money—but only when I have it. **Chilling out:** The best way for me to relax is to take a long, hot bubble bath.

NAKED TRUTH: INBOX

Subject: Black is beautiful

Why wasn't Gia Wright on the cover of the *Exotic Beauties* issue? She was easily the most beautiful girl in the magazine. You should put her on the cover of one of your next issues. Thanks! ... Bugs

You don't seem to have many black girls in your magazines, and I think black is beautiful. I'd like to see more black girls fully nude. C'mon, make a white boy from Alabama's dream come true and publish an issue dedicated to black beauties. ...Pepper

While we don't have an SE dedicated to beautiful black girls, we do pay homage to lovely ladies from a variety of different ethnic backgrounds in Exotic Beauties, which you can order at www.playboystore.com.

Subject: Leticia is a knockout!

This year's *Sexy Girls Next Door* was amazing. Plenty of beautiful, alluring women of all shapes and sizes with something to suit everyone's tastes. But nothing could have prepared me for the appearance of blonde bombshell Leticia Cline on the cover. As an avid wrestling fan, I've seen her on *TNA Impact* and have been mesmerized by her beauty.

Congrats to all involved in the production of this issue! You never cease to amaze me. ...K.R.T.
